Sydney East Blues Awards
On Tuesday 15th November the Sydney East Sport Blues Awards were held at Georges River 16ft Sailing Club. A ‘Blue’ is the highest sporting accolade that students can be awarded at school, regional or state level in the NSW Combined High Schools sport system. At the 2016 Awards Port Hacking High School had three students receive a Sydney East Blues. These students are:

Nicole Banning (Yr12) – Athletics
Daniel Bell (Yr12) – Rugby Union
Zoe Newman (Yr11) – Hockey

Congratulations to these students for their outstanding achievement.

School Spectacular 2016 – Dream Big
On Friday 25th November, I had the immense pleasure to attend the 33rd Schools Spectacular ‘Dream Big’ at the Qudos Bank Arena at Homebush. Port Hacking High School was represented by students in the massed choir and the opening dance segment. For many years the Schools Spectacular has been an amazing showcase of performing arts talent from public schools across NSW. This year the School Spectacular entered the Guinness Book of Records for the most amateur performers on stage at one time – in total 5,300 students in the finale. Congratulations to all of our performers for their achievements in this fantastic event.

White Ribbon Day
Every year November 25 is White Ribbon Day across Australia. White Ribbon Australia is committed to raising awareness of and advocating for individual and community action to reduce the incidence of Domestic and Family Violence in Australia. At school the SRC conducted a short but powerful assembly to highlight this issue. A small group of Port Hacking students also attended a White Ribbon Walk from Woolooware High School to Cronulla where a range of speakers advocated for community change around this significant issue in Australian society.

Flexible Learning Spaces for Port Hacking High School
Flexible learning spaces consist of a range of engaging and flexible furniture that encourages collaborative learning. At Port Hacking High School we are currently developing two flexible learning spaces – one in the library and another in a converted computer lab. The library space is well advanced with new painting and the ordering of some very ‘funky’ furniture that should be delivered before the end of the school year. We are also placing some inspirational quotes on a large wall space. When completed, these spaces will provide staff and students with two very modern learning spaces.

Happy Holiday
As this is the final Deeban for 2016 I would like to wish all of our families a happy, safe and relaxing summer break. I trust that you will all find many ways to spend time doing your favourite activities with those that mean the most to you. I would also like to thank the Port Hacking High community for the welcome I have been extended as principal since I arrived at the beginning of Term 3. I have very much appreciated the positive interactions I have had with many of you. I look forward to meeting many more of you through 2017. Ours is a great school because of its people – students, staff and parents.

A reminder that school resumes for Years 7, 11 and 12 on Monday 30 January and for Years 8, 9 and 10 on Tuesday 31 January 2017.

Doug Hearne
Principal
Important Dates

December

5–9  Art Exhibition @ Library
6  Year 7 2017 Orientation Day

22  The Australian Photographer Day 1
24  The Australian Photographer Day 2
27  RoSA Information Night @ 6pm
   HSC Information Night @ 7pm
   Port Hacking Zone Swimming Carnival @ Caringbah Pool
The SRC has been kept very busy in Term 4 with a number of worthwhile events and initiatives. On November 11th the 2016-2017 prefects attended the Miranda RSL Sub-Branch’s Remembrance Day commemoration at Seymour Shaw. It was a reflective occasion as the attendees heard an address from Ian Bryant, a Vietnam War Veteran who provided an insight into daily life of a bombing team including daily raids on enemy targets as well as lighter moments shared amongst the soldiers. Shea Garcia made PHHS proud by reading the Prayer of Thanksgiving before the occasion was concluded with the last post and a minute’s reflection.

SRC also participated in White Ribbon Day on 25th November by having six students accompany Mr Papangelis on a walk from Woolooware High School to Cronulla alongside countless other schools and citizens to show solidarity over ending domestic violence against women.

Meanwhile, at PHHS Mr Hearne gave a speech about the issue and his role as a White Ribbon Ambassador. This was followed by the SRC and Mr McAfee organising an oath that the whole school could to join in to spread awareness, which was led by Lincoln Sharp and Ashley Grady. It went as follows: “I will stand up, speak out and act to prevent violence against women. This is my Oath”.

On Thursday 24th November, SRC students also attended a White Ribbon Day event at Miranda Public School and students from both schools got to interact with one another and get further informed about this important issue.

Finally, this year’s final initiative is the Christmas-themed Beauty Bank fundraiser to raise awareness of women in poverty. The event is Christmas themed and at the time of Deeban going to press the SRC were busily preparing a candy cane drive and a donation collection point under the Christmas tree in the library. We are sure that this event will be every much a success as the other 2016 initiatives at which students gave generously.

Written by Mr McAfee and the 2016 SRC
All of Year 10 participated in two days of Peer Support training in week 7, Term 4. They experienced a program that covered leadership topics such as communication, teamwork, listening skills, problem solving and learning about their own leadership styles and capabilities.

Students gained valuable skills, and provided the following feedback on the program:

“This was a fun and good learning experience. Activities were fun and engaging teaching me many ways to deal with situations.

This was a fun two days that inspired me to want to become a leader.

I found the activity where we learned about how we communicate what we are saying in terms of body language and eye contact.

The games were most useful as they were all about communication.

I enjoyed it. Helped my confidence.

The activity where we wrote affirmations gave me an insight into what others think of me and my strengths.”

Following the training, sixty students were then selected to undergo further training to become the Peer Support Leaders for Year 7, 2017. Whether or not students were selected, all of the students who participated gained valuable skills and knowledge and developed closer bonds that will help them support each other as they face the challenges of senior studies.

All of the students are to be commended for their participation and conduct during the Peer Support Program. Sincere thanks to all of the teachers who led groups for the two days of training with dedication and enthusiasm.

S Stock
Peer Support Coordinator

**NSW Constitutional Convention**

Tahmid Selim represented Port Hacking High School at the NSW Schools Constitutional Convention held at NSW Parliament House on 7th November 2016. One hundred students attended the one day convention as part of a national program for Year 11 students to consider issues relating to the Australian Constitution.

During the program the students had the privilege of listening to Professor Anne Twomey, Professor of Constitutional Law, Director, Constitutional Reform Unit, Sydney University. Tahmid visited the Legislative Assembly and the Legislative Council and got the opportunity to speak in front of other students regarding the topic of Conscriptions in war.

“I have gained more knowledge about how our Laws are enacted in our Australian Society. Attending the Constitutional Convention has allowed me to meet School Captains and Student Leaders from across NSW and I have definitely made new friends and developed my leadership skills. This rare opportunity allowed me to discover contemporary issues that have occurred in the past and how Australian society has reacted to it, I am extremely grateful to Mrs Stock, Mrs Waser and Mrs Howie for my selection and enabling me to attend this event. I was privileged and it was a great honour for me to represent my school in Parliament.”
Monday, 28th November 2016 was the Year 8 Mental Health Day. The students responded very positively to the presentations about mental health including: positive psychology, de-stigmatising mental health, the benefits of exercise from F45 Caringbah, a presentation from the Black Dog Institute and from Headspace (Miranda).

The Caringbah Lions Club also kindly donated their time and hundreds of sausages to feed the students at lunch time which was greatly appreciated as was their warmth and humour.

The wellbeing team at Port Hacking High School are incredibly grateful for the time, effort and energy of so many diverse groups and people in supporting our students.
Wow!!!! 2016 has been an amazing year in the Performing Arts. We have had such a wide range of successes and a large number of performances – it has certainly helped to make the year fly by very quickly!!

**Yowie Bay Twilight Markets**

On Friday 18th November our Combined Band were once again amazing ambassadors for PHHS, displaying their talents at the annual Yowie Bay Twilight Markets. They put on an excellent performance for stall holders and shoppers throughout the evening. Well done to the musicians involved and Mr Moore for giving up your Friday night and entertaining the crowd.

**PORTXL Awards and Variety Night**

On Wednesday 16th November we celebrated the achievements of our students who are involved in the large number of Performing Arts ensembles that we offer here at PHHS. It is very exciting that we have over 150 students involved in different ensembles throughout the year. The students also provided some excellent entertainment for the parent and community body who attended the evening. We had a number of awards for exemplary contributions to Performing Arts:

**Band**
- Junior Band Encouragement Award: Aaron McCluskey
- Senior Band Encouragement Award: Ronan Soussa
- Junior Band Member of the Year: Lucia Robaina
- Senior Band Member of the Year: David Tan

**Dance**
- Junior Dancer Encouragement Award: Briana Albornoz
- Senior Dancer Encouragement Award: Ashley Ruming
- Junior Dancer of the Year: Alyssa Kafetzi
- Senior Dancer of the Year: Georgia Bone

**Drama**
- Junior Drama Encouragement Award: Layla Philippou
- Senior Drama Encouragement Award: Katiya Kraljevski
- Junior Drama Student of the Year: Luci Way
- Senior Drama Student of the Year: Perry Stamoulo

**Vocal**
- Commitment to Choir: Jason Wang
- Vocal Encouragement Award: Tiahn Bowler
- Vocalist of the Year: Amy Mifsud

**Volunteers**
- Ensemble Directors: Grace Clark, Amy Mifsud, Lucy Latunipulu, Emma Roberts

I would like to congratulate all the students on their dedication and achievements. I would also like to extend a very big thank you to the staff who lead these ensembles and the many hours that they dedicate to their success: Ms Avdicevic, Mr Cameron, Ms Druce, Ms Johnson, Mr Moore, Ms Prestidge, Mr Skues and Ms Solimon.
33rd Schools Spectacular - Dream Big!
Schools Spectacular has been and gone for another year and what a massive week. This year was the first at its brand new home at Olympic Park - QUDOS Bank Arena. PHHS had students involved in both the Combined Dance and Choir groups and as a featured dancer and as part of the Core Choir. These students were part of a huge achievement during the Finale of the show. They were part of breaking a GUINNESS WORLD RECORDS title - Largest amateur variety act, with over 5300 students on stage performing at the same time.

Another first for the Schools Spectacular! The show will be broadcast on Channel Seven this Saturday 3rd December 7pm. So settle down in front of the TV and play "spot the PHHS students".

Thank you to Ms Prestidge and Ms Johnson for your supervision of the students over the School Spectacular show week. It’s such a massive week and your dedication to the students is amazing!

2016 Performing Arts Events still come:

* Wednesday 7 December - Year 8 Semester 2 Performing Arts Showcase- 6:30pm – Auditorium. Doors open at 6:15pm. Cost $5.

* Wednesday 7 December - Mark Vincent Christmas Concert featuring PHHS Choir students - Sutherland Entertainment Centre 2:00pm and 7:30pm. Tickets are on sale now from the Sutherland Entertainment Centre box office.

Finally I would like to wish everyone a safe and relaxing Christmas break. We look forward to another exciting year in Performing Arts in 2017.

Ms Casey Hadfield
Year 7 History Incursion
On 15th November, all of Year 7 took part in Living History Australia’s - a two hour History incursion. The event included stories of the lives lived by ancient people in Egypt and China and a few lucky students were chosen to dress up and act out those roles. At the end of the performance, all students were given a chance to interact with the impressive range of artefacts on display with the helmets and weapons being the most popular! Students commented on how the event provided an insight into the everyday experience of average people, not just the rulers and most famous people.
**Marine Studies**

**Year 9** students had the opportunity to go fishing at Gunnamatta Bay this Term. While the catch wasn’t big (as seen from the photos), the students had a great time. Many thanks to the FishCare volunteers who accompanied us on the excursion, supplying all equipment and bait.

**Year 9** also participated in recreational activities, surfing lessons at Wanda Beach with Cronulla Surf Academy and stand up paddle boarding lessons at Gunnamatta Bay with Cronulla Stand Up Paddleboard School.

**Year 10** have been studying a module on Boating with the view to gaining their Boat Licence. Part of this course involved the students taking part in a practical boating skills day at RMYC Woolooware. During the day the students drove a small power boat, rowed, capsized, rescued a dinghy, and performed various safety drills. All students involved enjoyed the day and successfully completed the course. The students would like to thank Ron Garbutt and Ray Lonsdale for their help on the day. Thank you also to Hunt’s Marine and BIA for the sponsorship of the boat and the RMYC for the use of their facilities.

**Inter-schools Forensic Day**

This Term, twelve Year 9 students had the opportunity to compete in the Sutherland Inter-Schools Forensic Day. This event was held over two days at Kirrawee High School and Lucas Heights Community School. The students had to apply forensic techniques and detective work to solve the crime. One of our teams finished in second place, the students gained an invaluable insight into the world of Forensics.
Year 7 and 8 Technology
This semester the students have worked hard and produced some excellent results with their work. In the “Classroom Café” unit menu items were designed and produced for the assessment, the students enjoyed making and presenting a variety of Café-style foods during their weekly practical lessons.

In Textiles, the students have been working on the “EBag it” unit where they have created reusable bags to reduce plastic bag use and help the environment. Students have produced a range of duffle bags, backpacks and beach bags. The students are currently working on a project where they “upcycle” a pair of denim jeans into another product. Some amazing projects are underway. Congratulations Years 7 and 8.

Year 10 Food Technology Excursion to Sydney Tower

The students have been busy studying a unit called Food Service and Catering. To complement their study students visited Sydney Tower where they were given a ‘behind the scenes tour’ conducted by an Industry professional.

At the conclusion of the tour students were treated to a buffet lunch in the revolving restaurant, they enjoyed sampling many International and Australian Dishes. A highlight of the excursion for many students was sampling kangaroo, camel and crocodile meats.

Year 10 Textiles and Design

In Term 3 Textiles students were completing a unit called “All the World’s a Stage”, they had to design and produce a costume and mask for a character of their choice. There were a wide variety of costumes produced, including costumes for Outlander, Period costumes, costumes for Deadpool, Pirates and Cleopatra. Some outstanding projects were produced.

The brief for this Term is “Colourful Creations”; they are experimenting with a variety of methods of applying colour to fabric. They have used screen printing and stencilling to produce a bag for their Christmas ham. They have tie dyed a T shirt, with some fabulous designs being produced. The students are now decorating a piece of fabric using a method of their choice, to be made up into an item such as a beach wrap, bag or cushion. Some interesting work is underway!

Year 12 Textiles and Design Major Textiles Projects

The students worked extremely hard throughout the year to complete their Major Textiles Project and supporting Folio. The students all chose to work in the focus area of costume.

Amy produced a costume for Cosplay, which used Japanese culture and winter as the inspiration. Brianna produced a costume based on the Enchanted Rose from Beauty and the Beast. The petals were designed to be removed from the costume as the play progressed, just as the petals fell from the rose in the animated production. Maddison produced a costume for Hermia in a Midsummer Night’s Dream. Karena produced a costume for Lord Shen, the evil white peacock in Kung Fu Panda 2. It was made using traditional Chinese clothing construction methods as well as a number of contemporary embellishing methods. Erin produced a coat for the Ringmaster in the Circus. An appliquéd Lion featured on the back of the coat, and the circus big top tent was also a feature in the coat.

The works were submitted 15th August to the Board of Studies to be externally marked and on their return they were displayed in the school library during week 5. Congratulations to all of the students. We now eagerly await their HSC results.
Japanese Elective Excursion to the Japanese Film Festival

On 25\textsuperscript{th} November, we travelled to Event Cinemas to attend the Japanese Film Festival school screening of “Bakuman”. This comedy focused upon the main themes of friendship, struggle and triumph and features two high school boys trying to make it in the manga world. As they compete against the unbeatable talent of Nizuma, we learnt about teamwork and the power of friendship to battle the odds. One of the obstacles that prevented them from succeeding was the death of Moritaka Mashiro’s uncle, who was also a manga artist.

As the film progressed, the similarities between the two became more apparent when Mashiro collapses of exhaustion in a repeat of his uncle’s death. Mashiro learns to overcome the tragedy of his uncle’s death and create a legacy of his own. To get their manga published in Shonen Jump Weekly was their ultimate goal. But the boys are not alone in their dream and as they battle against their editors and competitors, they learn about a world they are unprepared for; and how to conquer it.

We also joined in a school-wide game of maru and batsu in order to educate us on manga culture in Japan. We were represented by a Year 10 student Nikki who won a prize for her extensive knowledge of manga and anime in Japan.

After the movie was finished, we grabbed a quick lunch at Market City and headed straight to DAISO, a Japanese franchise, and purchased many Japanese items for only $2.80. We then hurried to catch our train and get home, taking all our heart-warming memories with us. We thoroughly enjoyed this trip and hope to continue our Japanese learning in the future.

Natalie Horth
Year 10 Japanese

HSC: All My Own Work (AMOW)

Almost all of Year 10 completed AMOW in Week 7 in preparation for Years 11 and 12. This is a Board of Studies requirement. This self-paced course was administered through Moodle. The Year 10 students showed great commitment by working individually online to complete the course and print off their certificate.

Congratulations to Peer Tutors for 2017

Congratulations to the following students who put their name forward and were selected to be peer tutors for 2017. The 22 peer tutors will tutor Year 8 students in literacy skills in Roll Call in the library. The students will be trained through a TAFE course and will receive a Certificate of Attainment in Peer Tutoring on successful completion of the course.

Open High School (OHS) & Sydney Distance Education High School (SDEHS)

Applications have now closed for OHS and SDEHS. We have reached the quota with 2 students enrolling in Textiles and Design and 5 students enrolling in languages.

Saturday School of Community Languages (SSCL)

Students are still able to enrol to study a language at SSCL. Applications close on 6\textsuperscript{th} December 2016.

Flexible Learning Space

Our flexible learning space in the upstairs section of the library is well under way. It has been painted in vibrant colours and has a new air conditioner. The students seem to like the colour scheme and love the booth seating, stand and work tables. The mobile seating, flip tables and stools will be arriving before the end of term.

Remembrance Day Display

Students made tissue paper flowers and books were displayed in honour of Remembrance Day.

Happy Reading over your Christmas break!
Carolyn Riordan
Teacher-Librarian
Year 7  Visual Arts classes have been visiting Hazlehurst Gallery to view Nganampa Kililpil: Our Stars, Exhibition. Over 70 works from private and public collections are on display as well as major collaborative works by artists from the APY lands.

Year 9  Visual Arts and Photographic Digital Media classes recently visited Mosman Art Gallery to view the exhibition “Wildthing” which examines the animal in contemporary Australian Art and is a part of the celebrations of the centenary of Taronga Zoo. Afterwards the classes went to Taronga Zoo to photograph animals in their environments.

Our annual Visual Arts exhibition will be held in the School Library from Monday 5th December to Friday 9th December, during school hours. We hope that parents and friends can pop in and have a look at the great artworks that have been created by the students.

Year 7 students are required to take their art kits home in week 10. They do not need an art kit in Year 8. All students from 7 – 12 need to take home their artworks and visual diaries by the end of week 10, so that we can clean the rooms thoroughly before 2017.

Thanks to students for all your hard work this year. It has been a productive and busy year! Thanks to parents too for your ongoing support throughout the year.

Have a safe and happy Christmas.

Mrs Michele Strohfeldt
Relieving Head Teacher Visual Arts
On Monday 28th November, sixty five students along with Mr Barlow, Ms Cooper, Ms Soothill and Mr Redrup attended a three day outdoor activities camp at Morisset.

The students had a wonderful time participating in activities such as giant swing, abseiling, canoeing, climbing, flying fox and mud world.

The evening activities included physical and mental challenges, a game of commando followed by stories from Mr Barlow around the camp fire.

Thank you Mr Barlow for organising a great camp.
No Gap Scale and Clean for Children and Adults
