Year 12 leaves school at the end of this term to commence three weeks of stuvac before their HSC exams commence on Monday 17 October. We have seen many projects and performances submitted already for real HSC marks, in visual arts, industrial technology, design and technology, society and culture, dance, music and drama and I remain impressed by the breadth of talent and dedication displayed by our students in so many different areas. The majority of year 12 students have worked steadily towards their goals, and they should take advantage of the support of their teachers right now before the end of school. Teachers will be available in their normal timetabled periods in the first week of next term and by arrangement at other times. I am confident that year 12 will continue our tradition of strong performance at the HSC.

I have warned the school about the need to wear correct school uniform and a number of students have since made dramatic improvements in their appearance. I expect everyone here to always look and act like a proud Port Hacking student; if they don’t for no good reason, it will be dealt with as a disciplinary issue. The boys in particular have been warned to smarten up their act with shoes, otherwise changes will be made in the policy for 2012.

The following students were elected by Year 11 and by staff as the prefect body for 2012. The captains and vice captains were then selected by an interview panel consisting of Mr McGrath, Ms Moorhouse (SRC Coordinator), Ms Hammoud (Year 11 Adviser) and Luke Austin (2011 Captain). We congratulate Tyce and Laura on their selection as captains for 2012, and Stephanie and Tom on their selection as vice captains. As individuals they showed a strong commitment to Port Hacking High School, and as a team they will provide excellent leadership for our students. I am looking forward to working with our new captains and prefects from term 4 this year. They will be part of the strong tradition of senior students shaping our school culture according to their own ethics and beliefs.

Greg McGrath
Principal

I would personally like to thank everyone on their efforts on selling and buying raffle tickets for the ‘Spring Gala Raffle’. Prizes will be drawn Friday 16 September.

Just a reminder to keep updating your email addresses if they change so the monthly copy of Deeban can still be sent to you.

Looking forward to seeing you all on Monday night 7:30 in the school library.

Dr. Hayfa Hadi

Specialist dental care for children and teenagers

As a mother of two Dr. Hadi believes in a "friendly, caring & gentle environment"

- Orthodontic treatment
  - braces at competitive prices, easy payment plan, latest technology, faster working & fewer appointments
  - expanders & early intervention appliances

- Laser technology for dental treatment & bleaching
- White fillings & white crowns
- Preventative care and early detection of decay

- Sedation, ‘happy gas’ & general anaesthesia available

- Emergencies and new patients welcome

- Ground level, parking at front

- Our patients enjoy DVD entertainment whilst being treated

All Australian Owned Family Company

Our school receives a 5% rebate on all uniform sales.

MENTION OUR SCHOOL WHEN MAKING YOUR UNIFORM PURCHASES AT LOWES AUSTRALIA
From the TAS Department

Zonta International is an organisation operating in Australia of executives in business and the professions that work together to advance the status of women and girls.

Each club contributes to service projects and advocacy initiatives that aid women in career and entry into public life.

It has been my great pleasure to nominate Jessica Howard of Year 12 for their annual Young Women in Public Affairs award. The application involved Jessica in a process of self-examination where she had to analyse how she has been involved in community activities in her life so far. With the help of Mr McGrath and myself as referees, Jessica submitted her application whilst trying to complete study for her trial examination and the completion of assessment tasks.

From a field of seventeen candidates, Jessica was selected as one of seven finalists. At the presentation dinner, candidates gave a three minute speech on an inspiring woman of their choice. It was wonderful to see and hear the talent of the seven finalists.

Whilst Jessica was a runner-up and not the first placegetter, she represented Port Hacking High School with pride and determination. Both her mother and I were extremely proud of the effort she made in the pursuit of this most prestigious award.

Zonta members have expressed a keen desire to follow the career aspirations of Jessica and have pledged their support in way venture that she may undertake in the future.

Amanda Sourry

SCHOOL PROMOTIONAL VIDEO

In Term 2, students from the Year 7 Multimedia Group created a promotional video. The hard working students were: Braeden Campbell, William Cassimatis, Catherine Said, Evan-Leigh Harris, Julian Da Ros and Nathan Steele. Brett Sullivan (Yr12) then polished the video, before it was entered into the ‘Great Schools Show Off’ competition.

Please keep your eyes peeled for this video on the school’s website!
Congratulations to Year 12 –

Mrs Wong and I would like to say a special ‘congratulations’ to you and remind you that you are most welcome to come in and study in the Library during stuvac and the HSC. There are many temptations at home to take your time, so you may find it is easier to come into the Library for more constructive study time. If you create a study group, you can organise to use a discussion room. Let me know the day and time and if the rooms are available, I am happy to book the room for you to use. You can always have a chat with me to see what can be organised to help you with your preparation.

Remember too that the Library has extended hours on Monday and Wednesday so you can stay and study until 5pm.

PHHS Book Challenge

Congratulations to Jasmyne Bowler, Fernando DeCastro of Year 7, Emma-Grace Clarke of Year 8 and Priscilla Tran, Kezia Santoso, Peggy Chung of Year 10 on receiving their merit, Deputy’s and Principal’s awards for having read 20 books this year. They are well on their way reading for the Super Reader’s Award. For all readers, the Reading Challenge closes Friday, November 4th, week 4 Term 4.

Remember to borrow for the school holidays and enjoy relaxing with a good book while working on your Reading Challenge Awards.

New Books

Seniors interested in “Detective” genre will enjoy the first two books on the list.

F/ All Allen, Robin *If You Can’t Stand the Heat*

A real ‘down home’ bit of sleuthing set in Austin, Texas, finds Poppy Markham trying to find the murderer of the celebrity French chef who had been invited to Austin to launch the re-opening of her father’s restaurant. For all those fans of ‘Master Chef’, this has blended the best of both cooking and detective mystery.

F/ Col Colfer, Eion *Plugged*

This is Eion Colfer’s first adult novel, you may remember him if you are an Artemis Fowl fan. This murder mystery is set in the US but the hero is still the loveable Irishman that Colfer is renowned for creating. A real break from the books he has written before this is a murder mystery with a difference. The title is very clever once you have worked out the mystery behind the murder.

F/ Lan Landy, Derek *Skulguggery Pleasant: Death Bringer*

The latest in the series, Skulduggery and Valkyrie have only seven days to uncover the Necromancer’s secret before it’s too late. The clock is ticking. Lord Vile is loose. And after this one, nothing will ever be the same again.

F/ Con Condon, Bill *A Straight Line to my Heart*

Tiff is smart with words and rarely does tears, but in one short week she discovers that words don’t always get you there; they don’t let you say all the stuff from deep in your heart.

Once again, to all of Year 12 our very best wishes.
Happy reading,

Mrs. Royal
Teacher Librarian
A Report on the happenings in PHHS Performing Arts Faculty

Firstly our faculty sends a big congratulations to Melanie Christodoulou from Year 10 for her selection as School Spectacular “Featured Artist Solo Vocalist”. Melanie is an extremely talented vocalist who has a long history of participating in performance opportunities within the school and at extra curricular events. We are very proud of her achievements and look forward to seeing her perform at School Spectacular.

As this Deeban goes to press we have completed our Dance and Drama practical HSC exams and we have completed the first of our HSC Music days (the second day will also be complete by the time this goes to print). These days went extremely well with HSC markers complimenting our staff on the excellent organization of these exams which helps them run smoothly and to time. I would like to extend a huge thank you to: our Dance teachers Miss Casey Hadfield and Mrs Terry Martin and also Miss Renee Story who looked after our dancers on HSC day, our Drama teacher Mrs Martina Hall and also our Music teacher Mr Richard McBride, for their work with our HSC students to prepare them for this big and important day. We congratulate the students and remind them to keep studying for those written exams lurking around the corner!!!

Our Jazz Café night held on Friday 19 August was a resounding success. The hall was transformed to create a café atmosphere complete with café tables and tea light candles. Thank you to Tim Baker Yr12 and Anthony Danaro Yr11 for their work on creating the mood and lighting. The food was delicious and we thank Mrs Karen Murphy and the year 11 Hospitality students for the hours of preparation that went into creating this fine cuisine. The JazzPort ensemble performed three sets of music including a “chilled out instrumental”, a vocal set and finished with a dance set. The music selection was entertaining and our musicians and feature vocalists performed extremely well. Thank you to the conductor of the ensemble Mr Adrian Lim-Klumpes the students in the ensemble; Renee King Yr12 on bass, Garrett Barker Yr9 on drums, Felix Harris Yr12 on guitar, Edward Tan Yr12 on tenor saxophone, Zac Olsen Yr8 on Alto Saxophone, Troy Guo Yr11 and Darren Wong Yr12 on piano and our featured vocalists; Melanie Christodoulou Yr10, Nadine Roberts Yr11 and Mrs Tanya Brain. The audience was highly appreciative and it was wonderful to see a number of staff present supporting our students.

Our Jazz Café night was closely followed by our Ensembles Night on Tuesday 23 August. This night featured the performances of over 100 students who are involved in the various Music and Dance ensembles offered at PHHS. The program was varied and entertaining and presented a high standard of performance. Congratulations to the students involved and thank you to the staff who coordinate and conduct these ensembles; Ms Mandy Delore, Miss Casey Hadfield, Mrs Terry Martin, Mr Richard McBride and Mr Kevin Skues.

On Tuesday 30 August we were entertained by our Year 10 Drama class performing scenes that they had adapted from their favourite films. This was an eclectic mix of works ranging from scenes from various Disney cartoons, the sitcom Friends to films like Batman The Dark Night and of all thing The Hangover!! The stand out performance of the evening was Sharny Mullally and Marlee Silva’s adaptation of a scene from Alice in Wonderland. Congratulations to all students for an enjoyable evening.

Important Dates for your Diary

- Wednesday 16 November – PORTXL Awards Night and Variety Night
- Wednesday 23 November – Singers Night
- Thursday 8 December – Yr 8 Performing Arts Night
ATHLETICS

The Athletics season has concluded with Port Hacking High students excelling in the sports arena once again. The school carnival was held on a beautiful sunny day with many students attending and competing for their own personal goals as well as for the coveted House Athletics Trophy. After many attempts at checking all the results and point scores, the winning House for 2011 was equal first between Gunnamatta and Burraneer.

The Port Hacking Athletics team then competed at the Zone Athletics carnival and once again many of our students excelled. Duncan Watt of Year 10 was awarded the 16 years Zone Athletics Champion due to his outstanding success on the track. Seven out of the schools 4x100m relay teams qualified for the Regional carnival with six of those relay teams gaining 1st place at the zone carnival. For the second year in a row Port Hacking High achieved the overall champion school for 2011.

At the Sydney East Regional Championships once again many students represented the zone at this event, again with outstanding success. The boys 16yrs relay team placed 1st in an outstanding time. This team consisted of outstanding runners from Year 10: Duncan Watt, Dean Johnson, Will Roberts and Dylan Stankovic. The 16 years girls team came second in a close race against Woolooware High. Again this team consisted of outstanding runners which included Michelle Banning, Olivia Brooks, Stephanie Hartmeier and Ashley Haynes. Individual competitors included Samantha Davidson Yr 8 won the 13yrs 800m and came 2nd in the 1500m, Kayla Daly Yr 8 2nd in the 13yrs hurdles and high jump, Ashley Haynes Yr 11 2nd in 16yrs hurdles. Aaron Hawley Yr 7 2nd in the 12yrs hurdles, Jacob De La Vega 1st 12yrs shot put, Dean Johnson Yr10 1st 16yrs 400m and will compete at the State carnival in the 4x400m relay and 400m hurdles, Vincent Donnadieu Yr 12 1st in 17yrs 1500m and 3000m and Duncan Watt Yr 10 1st place in the 16yrs 100m and 200m, and 2nd place in the hurdles. Due to Duncan's outstanding success he was awarded Sydney East Regional Champion for the 16yrs boys division. All of these students will now represent Sydney East at the NSW CHS Athletics Championships.

**NSW CHS/ALL SCHOOLS Cross Country Championships**

Students from our school recently competed at these cross country championships in extremely difficult weather conditions. All students ran to the best of their ability and 2 students excelled on the day with excellent results. Aaron Hawley from Year 7 came 9th overall in the 12yrs 3km event. In the strongly contested 17 year boys event Vincent Donnadieu came 3rd and will now represent NSW All schools at the National All Schools Cross Country Championships. The 17yrs boys team consisting of Vincent Donnadieu, Jordan Roberts and Aaron Royall gained a silver medal and Vincent and Jordan were included in the Sydney East Region team which gained a bronze medal. Unfortunately Vincent was unable to attend the National Schools cross Country Championships due to illness.

**INTERHOUSE SPORTS**

So far the Interhouse Sports Competitions have been a great success with all Houses being very competitive in Basketball, Touch and Soccer. Yowie House threw down the challenge to the other Houses after they won the first two competitions in Basketball and Touch. The Touch competition ended in a draw so a final match was scheduled for a lunchtime with Yowie securing another victory. The Soccer competition saw Yowie hungry for a third win with a very strong team consisting of representative soccer players but they were overtaken by the strong Jibbon team who scored more points to win the Interhouse Soccer trophy. With only one event remaining in Term 4 in the sport of Volleyball, each House will need to submit their best team to secure a win and contribute to the overall Champion House Trophy for 2011.
YEAR 10 SNOW SKI/ SNOW BOARD TRIP

Forty four Year 10 students braved the difficult conditions at Thredbo for the annual Year 10 ski trip for three days. Conditions were very poor on the Wednesday with consistent rain falling but this did not dampen the enthusiasm of this group of students who were happy to be out on the snow learning new skills.

Unfortunately the snow conditions didn’t improve much on the Thursday with extremely icy slopes and poor visibility, but the snow was falling which was better than the rain, and again the students couldn’t wait to try their new skills out. Friday greeted us with a slight drizzle and with students equipped with their bright coloured ponchos they eagerly skied and snow boarded all day, reluctant to get back on the bus in the afternoon for our journey home. Congratulations to all forty four students whose excellent behaviour, determination and positive attitude all contributed to a fantastic three days. Thankyou to Mr McGrath, Mrs Kennelly and Mr Gowan for your assistance on this excursion.

Mrs Turner
PD/H/PE  Ski Trip Coordinator

NSW INTERSCHOOL SNOWSPORTS FINALS

The Port Hacking Alpine Team, Lauren Murty, Jessica Perry, Casey Studden and Nicole Goulding, competed in several events in skiing and snowboarding at Perisher on 26 – 28 August. Our girls skier cross team came 11th in the state, a creditable result but not enough to progress to the national finals, and icy conditions in the other events led to a series of falls and missed gates.

The girls raced in a determined manner in difficult conditions, totally unlike the great snow we had in July for the regional finals, and I am proud that they went so far in the state against elite competition. Ten months to go until we race again.

Greg McGrath
Parents are lifelong teachers

Have you ever found yourself saying or doing something to your child that you promised you would never do, before you became a parent? Before you had kids, you were never going to be like your Mum who always reminded you how good you had it and how spoilt you were, or like your Dad, who regularly humiliated you by yelling at you from the sidelines on the football field. Now, you find yourself doing the same thing with your own kids. This is the difference between our intentions and our actions, between our values and methods.

Whilst our intentions as parents, are usually good ones, in that we generally aim to guide and help our children, sometimes our methods are not consistent with our intentions and we know from our own experience, that they are not effective.

We may also complain that our children do not listen to us, when we forget that they are watching everything we do, our values, our attitudes and the feelings behind our behaviour. In the words of Franklin Jones “Children are unpredictable. You never know what inconsistency they are going to catch in you next.”

Although it is impossible for anyone to be 100% consistent, it is important for us to strive for consistency between our values and actions or for us to ‘walk the talk’. How much harder for example, is it for a parent who smokes, to try to influence their teenager son or daughter, not to smoke.

Spotting inconsistency in other parents, is much easier than recognizing it in ourselves. How many times have you witnessed another parent doing one of the following with little or limited success?

- Yelling at a child to ‘stop shouting’
- Smacking a child after they have hit another child
- Losing patience with a child who is being impatient

As parents, we are lifelong teachers to our children, but need to be aware that many of the things we try to teach our children are in fact, not ‘teachable’ but rather learned through experience and by following our example. Arguably, the most important and enduring example that we can set for our children, is how we express and manage our own feelings. It can be helpful for parents to pause, occasionally to consider “Am I practising what I preach?” and “Are my teaching aims and my methods consistent?”

Children can push “our buttons” or find our vulnerabilities like no-one else. As well as experiencing enormous love and pride in them, we can also experience intense negative emotions towards them, such as frustration, anxiety and irritation.

Being aware of our feelings and expectations and trying to respond in a more calm and controlled manner, provides a good example for children to follow and helps keep relationships on track. This is no easy feat and it would be unrealistic and maybe unhealthy to expect that we can do this all the time.

Some of the strategies that parents have identified which help to do this include:

- Creating a pause or breather in a tense situation, by going for a walk, to the bathroom, making a cup of tea etc
- Having a mantra or phrase that a parent can silently repeat to themselves, such as “Stay calm”, “It’s my job to be bigger, stronger, wiser, kinder”
- Deep breathing or other activities that can help calm you in the moment

Regular self-care and relaxation strategies. The more stressed and tired we are, the harder it is to find a way to be calm

If you want to talk about your child’s behaviour with one of our professional counsellors, call 1300 130052 or visit our website www.parentline.org.au for tips sheets and parenting stories.
New online school resource for parents

The School A to Z online school community provides practical advice about homework, tips on learning, wellbeing, technology and resources to help parents and carers support their child’s social, physical and mental development.

School A to Z includes:

- free mobile application for iPad and smart phones that features maths and spelling games.
- Facebook and Twitter sites to allow parents to share experiences, tips and hints online
- printable homework help sheets
- A-Z lists of English, maths and technology
- assignment starters on popular classroom topics
- Lunchbox recipes
- Podcasts, videos and articles on a broad range of topics

The concept was developed in response to parent concerns about not being able to confidently support their child’s learning at home. Content ideas and feedback are always welcome schoolatoz@det.nsw.edu.au
About the Education Tax Refund

Who is eligible?
- A person who has received Family Tax Benefit (FTB) Part A for a child undertaking primary or secondary school studies.
- Independent students in primary or secondary school.
- People on other allowances may be eligible too.

How much can be claimed?
Those eligible can claim 50% of eligible education expenses up to the maximum amounts.

For the 2010-11 financial year the maximum amounts that can be claimed are:
- $794 for each primary school child — that is, a refund of up to $397, and
- $1,588 for each secondary school child — that is a refund of up to $794.

What can be claimed in 2010-11?
Eligible expenses include the cost of buying, establishing, repairing and maintaining any of the following items:
- home computers and laptops
- computer-related equipment such as printers, USB flash drives, and disability aids to assist in the use of computer equipment for students with special needs
- computer repairs
- home internet connections
- computer software for educational use
- school textbooks and other printed learning material, including prescribed textbooks, associated learning materials, study guides and stationery, and
- prescribed trade tools for secondary school trade courses.

How do people claim?
- The ETR is claimed in an individual’s tax return, or
- For those who don’t lodge a tax return, it is claimed on the Education Tax Refund for individuals claim form, available from the Tax Office.

For more information go to www.educationtaxrefund.gov.au.
School uniforms
The Government is changing the Education Tax Refund (ETR) so that people can claim their kid's school uniforms. This means people will be able to claim school-approved uniform items from 1 July 2012.

What do I need to do and when?
From 1 July 2011 start keeping receipts for school uniform items so you can claim them next year.

What school uniform items will I be eligible to claim?
Items need to be distinctive and recognised by the school — but are not limited to items bearing a school crest. For example:

1. A public school has a policy which states that students should wear yellow shirts, blue shorts, grey shorts or skirts and black leather shoes to identify the students as attending the school. However, while wearing these colours is strongly encouraged, it is not compulsory. An eligible individual whose child attends the school buys items which fit within this policy from a store unaffiliated with the school. None of the clothing items contain the name of the school or school crest. As the items, including shoes, are approved or recognised as part of a distinctive school outfit and fall under the policy, they would be eligible expenses. This applies irrespective of where the clothing was purchased or the fact the uniform was not mandatory.

2. A school has a dress code where students are required to be dressed in a neat and presentable fashion, but which does not indicate a more specific colour or style that the clothing should take. An eligible individual whose child attends the school buys clothes which they intend to wear to school. The items would not be eligible expenses. While the clothing meets the school's dress code, they lack the sufficiently distinctive quality of a uniform, and could not identify the child as a student at the school.
LEARN ABOUT YOURSELF!

As Marcel Proust, a late 19th century novelist, wrote: “the real voyage of discovery consists not in seeking new landscapes but in having new eyes”. Host an international high school student in February 2012 through Southern Cross Cultural Exchange and prepare to be amazed at the way this unique opportunity helps your family to become closer, to understand themselves better and to see the world in a new light.

Carefully selected students will arrive in February for one or two semesters from France, Italy, Germany, Austria, Scandinavia, Japan and the U.S.A. They will attend a local secondary school, are fully insured and have their own spending money.

Call S.C.C.E now on 1800 500 501, email scceaust@scce.com.au or visit our website (www.scce.com.au) to be part of this rewarding experience.

All players must be at least 15yrs old to play in senior competitions
**Government Funded CHILDCARE Course**

**Diploma of Children’s Services**

**CHC50908**

---

**Qualification Description**

This qualification covers workers in children’s services who are responsible for planning, implementing and managing programs in early childhood services, in accordance with licensing, accreditation and duty of care requirements. At this level, workers have responsibility for the supervision of other staff and volunteers. It is the highest qualification required at Director or Service Manager level for children's service centre-based care.

**Who will benefit from this qualification?**

Those who would like to enter the childcare industry or already working as a childcare assistant and would like to formalise their experience.

**Employment Opportunities in Childcare**

There is a recognised national skills shortage for childcare workers. With more and more childcare centres opening up to meet the demands of working families, this shortage will continue. What does this mean for you? Employment prospects are excellent and opportunities are many and varied as the need for childcare workers continues to grow. Positions are available at:

- Pre-school / Kindergarten
- Long Day Care Centres
- Childcare workers in hotels, resorts and cruise ships
- Occasional Care Workers

Position titles include:
